1,200 years of history - lively and entertaining

The seven castles in the Weserbergland are situated in diverse culture and nature landscapes and, with their different uses and themes offer authentic travelling experiences. The historical jewels shine as major works of the Weser Renaissance and with their famous guests, enchant with white gold and one of the oldest English landscape parks, impress with the largest private mausoleum and a UNESCO World Heritage Site.

The Sieben Schlösser look back on more than 1,200 years of history and courtly culture. Where the famous personalities used bustle, visitors of today are offered extraordinary castle experiences and outstanding events. Treat yourself to a fairytale time out from everyday life with special comfort. Their authenticity, sophistication and modern splendor of their presence are what characterize the magical Sieben Schlösser.

The Sieben Schlösser are located around the Pied Piper town of Hameln, which is an ideal starting point for excursions in the picturesque Weserbergland.

Castle experience day in the Weserbergland.

On every 1st Sunday of August, the Sieben Schlösser invite you to enjoy very special experiences.

Scan the QR code to accompany the castle ghost Count Edelbert VII. on his journey of the Sieben Schlösser and Hameln.
